

LYO Family Sponsorship

The average cost for one year of participation in LYO is \$1,200. This amount covers costs such as music, rehearsal hall rental, performance production, conductor salaries and scholarships. We pride ourselves on offering LYO membership at a very reasonable \$350 - one of the lowest membership fees in the nation. This means we must rely on additional support to keep our organization economically viable. Your **tax-deductible** contribution goes directly toward providing a total musical experience for our members.
